# U2 MARINE ACADEMY FOUNDATION

DG Shipping Approved Training Institute

WELCOME

U2 Marine Academy Foundation, a very young and dynamic Maritime Training Institute, registered in India, promoted by a seasoned shipping professional and is poised to become a leader in maritime training within India under the able guidance of Director General of Shipping (India). Our training programs are designed for both seafarers and shore personnel, ensuring that all participants acquire practical knowledge and skills essential for thriving in the maritime industry.

Located in Navi Mumbai, Maharashtra (India), we pride ourselves on our expert trainers who bring extensive sailing and teaching experience to the classroom, thereby delivering training that meets the highest international standards.

## OUR MISSION

Our mission at U2 Marine Academy Foundation is to deliver high-quality, industry-relevant maritime training that equips seafarers with the knowledge, skills, and professional discipline required to excel in a rapidly evolving global maritime environment.

## OUR VISION

At U2 Marine Academy Foundation, our vision is to become a leading centre of excellence in maritime education, recognized globally for delivering high-quality, future-ready training that empowers seafarers to operate with competence, confidence, and integrity.
